Technologies**

Insist on Genuine **STAMFORD®** Parts

CONTACT

At Cummins Generator Technologies, it's not just the products we make that set us apart it's how we engage our customers everyday. The unique combination of knowledge, dependability and innovation we bring to each customer relationship turns everyday service into excellent customer support. As a result we help our customers operate with greater efficiency, making it possible for them to compete more successfully throughout the world.

When ordering parts, please quote the following:

- Generator serial number and frame size
- Description of the part and part number
- Quantity required
